

An Invitation to ICO Friends and Supporters

Guatemala Night

Wednesday, April 29,
5 - 7 pm

CNIB Auditorium,
2340 Richmond Avenue, Victoria

With the support and donations of so many of you, we have been able to make a real difference in the lives of Mayan families in the beautiful but impoverished communities around Lake Atitlan, Guatemala. We want to say Thank You and share stories of the work being done: replacing dangerous open-hearth fires with safe, fuel-efficient stoves; supporting education; helping families through desperate circumstances.

Here's a chance to find out more. Our resourceful and intrepid volunteer, Kathy Coster, returns from 5 months of work in Guatemala.

Join us for light refreshments, display and sale of Guatemalan crafts, and — most important — an illustrated update by Kathy and other volunteers on the work that's underway in the Atitlán communities.

We look forward to seeing you there!

From the ICO Guatemala Team
